Summertime

Will Smith

Drums please, summer, summer, summertime Time to sit back and unwind

Here it is, the groove slightly transformed Just a bit of a break from the norm Just a little somethin' to break the monotony Of all that hardcore dance that has gotten to be

A little bit out of control, it's cool to dance But what about the groove that soothes That moves romance, give me a soft, subtle mix And if ain't broke then don't try to fix it

And think of the summers of the past Adjust the base and let the alpine blast Pop in my CD and let me run a rhyme and put your car On cruise and lay back 'cause this is summertime

Summer, summer, summertime Time to sit back and unwind Summer, summer, summertime Time to sit back and unwind Summer, summer, summertime Time to sit back and unwind

School is out and it's a sort of a buzz But back then I didn't really know what it was But now I see what have of this The way that people respond to summer madness

The weather is hot and girls are dressin' less And checkin' out the fellas to tell 'em who's best Ridin' around in your jeep or your Benzos Or in your Nissan sittin' on Lorenzo's

Back in Philly we be out in the park A place called the plateau is where everybody goes Guys out huntin' and girls doin' likewise Honkin' at the honey in front of you with the light eyes

She turn around to see what you beepin' at It's like the summer's a natural aphrodisiac And with a pen and pad, I compose this rhyme To hit you and get you equipped for the summertime

Summer, summer, summertime Time to sit back and unwind Summer, summer, summertime Time to sit back and unwind

It's late in the day and I ain't been on the court yet Hustle to the mall to get me a short set Yeah, I got on sneaks but I need a new pair 'Cause basketball courts in the summer got girls there

The temperature's about 88 Hop in the water plug just for old times sake Creak to ya crib, change your clothes once more 'Cause you're invited to a barbecue that's startin' at 4

Sittin' with your friends 'cause y'all reminisce About the days growin' up and the first person you kiss And as I think back, makes me wonder how The smell from a grill could spark up nostalgia

All the kids playin' out front, little boys messin' 'round With the girls playin' double-dutch While the DJ's spinnin' a tune as the old folks Dance at your family reunion

Then six 'o clock rolls around You just finished wipin' your car down It's time to cruise, so you head to The summertime hangout, it looks like a car show

Everybody come lookin' real fine Fresh from the barber shop or fly from the beauty salon Every moment frontin' and maxin' Chillin' in the car they spent all day waxin'

Leanin' to the side but you can't speed through Two miles an hour so, everybody sees you There's an air of love and of happiness and this is The Fresh Prince's new definition of summer madness

Summer, summer, summertime Time to sit back and unwind Summer, summer, summertime Time to sit back and unwind

Summer, summer, summertime Time to sit back and unwind Summer, summer, summertime Time to sit back and unwind
