

# Bad Connection

Will Sparks

It's a bad connection

Good night...

It's a bad connection

I need you now

He's got your flesh, just give me everything

You got to edge, don't give me love Co-adrenalin

Jump in my dream, shake my reality

Break in my skin, we don't believe, breaking boundary!

It's a bad connection

Hello, hello

Can you hear my voice?

It's a bad connection

I hear you now

Hello hello

My body's talking

It's a bad connection

I need you now

Hello, hello

I don't want no conversation

Your're my obsession, I need you now

I like you a lot, so let's get connected

You make it crazy, so unexpected

Let's pick up, where we left off

Let's pick up, where we left off

I like you a lot, so let's get connected

You make it crazy, so unexpected

Let's pick up, where we left off

Let's pick up, where we left off

He's got your flesh, just give me everything

You got to edge, don't give me love Co-adrenalin,

Jump in my dream, shake my reality

Break in my skin, we don't believe, breaking boundary!

Hello

Hello

Hello, hello

Can you hear my voice?

It's a bad connection

I hear you now

Hello hello

My body's talking

It's a bad connection
