

Guilty As Sin

Will Sparks

Making accusations

Take me to my judgement day
The feeling this is criminal
I'm guilty as, guilty as sin

Yeah I don't want redemption

I'm ready for anything
And you are my confession
I'm guilty as, guilty as sin (sin)
I'm guilty as, guilty as sin (sin)
I'm guilty as, guilty as sin (sin)
I'm guilty as, guilty as sin (sin-sin-sin-sin)
Yeah I don't want redemption

I'm guilty as, guilty as sin (sin)
I'm guilty as, guilty as sin (sin)
I'm guilty as, guilty as sin (sin-sin-sin-sin)

I'm guilty as, guilty as sin (sin)
I'm guilty as, guilty as sin (sin)
I'm guilty as, guilty as sin (sin-sin-sin-sin)
Yeah I don't want redemption
