

Rainbow Stylin'

Will Sparks

City rooftop, summer nights
In your tank top, rainbow stylin'
To the beatbox, spinning round
And you looked so cute there rainbow stylin'

City rooftop, summer nights
In your tank top, rainbow stylin'
To the beatbox, spinning round
And you looked so cute there rainbow stylin'

Sun rising, still asleep
Lay beside, hear you breathin'
Last night girl, like a dream (Hey!)
Never felt so good, sleepy smilin'

All this love, saved up for nothin'
I never felt so blue
And all this love, rainbow stylin'
All this love, saved up for nothin'
And this'll do me no good
And all this love, rainbow stylin'
