# Untouchable

**Will Sparks**

Stop me now, I'll cross the line
Just need one sip to satisfy
May be wrong to fantasize
But I see pleasure in your eyes

Undress me, unless we confess that it's real
Just take me, don't wake me if you won't be here
Your body has got me, I'm down on my knees
Control me, just hold me, give me what I need

Ooh-ooh-ooh-ooh-ooh-ooh-ooh
You're untouchable
You're untouchable
I want it
Ooh-ooh-ooh-ooh-ooh-ooh-ooh
You're untouchable
You're untouchable
Can't stop this

You're untouchable
I want it
Ooh-ooh-ooh-ooh-ooh-ooh-ooh
You're untouchable
You're untouchable
Can't stop this

Stop me now

Ooh-ooh-ooh-ooh-ooh-ooh-ooh
You're untouchable
You're untouchable
I want it
Ooh-ooh-ooh-ooh-ooh-ooh-ooh
You're untouchable
You're untouchable
Can't stop this

Got this picture in my mind
Like you're the one who gets me high
Got me wishing, hypnotized, yeah
It's so wrong but it's so right

Undress me, unless we confess that it's real
Just take me, don't wake me if you won't be here
Your body has got me, I'm down on my knees
Control me, just hold me, give me what I need

Ooh-ooh-ooh-ooh-ooh-ooh-ooh
You're untouchable
You're untouchable
I want it
Ooh-ooh-ooh-ooh-ooh-ooh-ooh
You're untouchable
You're untouchable
Can't stop this

You're untouchable

Can't stop this

Stop me now

Ooh-ooh-ooh-ooh-ooh-ooh-ooh
You're untouchable
You're untouchable
I want it
Ooh-ooh-ooh-ooh-ooh-ooh-ooh
You're untouchable
You're untouchable
Can't stop this
