

# Untouchable

Will Sparks

Stop me now, I'll cross the line  
Just need one sip to satisfy  
May be wrong to fantasize  
But I see pleasure in your eyes

Undress me, unless we confess that it's real  
Just take me, don't wake me if you won't be here  
Your body has got me, I'm down on my knees  
Control me, just hold me, give me what I need

Ooh-ooh-ooh-ooh-ooh-ooh  
You're untouchable  
You're untouchable  
I want it  
Ooh-ooh-ooh-ooh-ooh-ooh  
You're untouchable  
You're untouchable  
Can't stop this

You're untouchable  
I want it  
Ooh-ooh-ooh-ooh-ooh-ooh  
You're untouchable  
You're untouchable  
Can't stop this

Stop me now

Ooh-ooh-ooh-ooh-ooh-ooh  
You're untouchable  
You're untouchable  
I want it  
Ooh-ooh-ooh-ooh-ooh-ooh  
You're untouchable  
You're untouchable  
Can't stop this

Got this picture in my mind  
Like you're the one who gets me high  
Got me wishing, hypnotized, yeah  
It's so wrong but it's so right

Undress me, unless we confess that it's real  
Just take me, don't wake me if you won't be here  
Your body has got me, I'm down on my knees  
Control me, just hold me, give me what I need

Ooh-ooh-ooh-ooh-ooh-ooh  
You're untouchable  
You're untouchable  
I want it  
Ooh-ooh-ooh-ooh-ooh-ooh  
You're untouchable  
You're untouchable  
Can't stop this

You're untouchable

Can't stop this

Stop me now

Ooh-ooh-ooh-ooh-ooh-ooh

You're untouchable

You're untouchable

I want it

Ooh-ooh-ooh-ooh-ooh-ooh

You're untouchable

You're untouchable

Can't stop this
