

## The First Step

Will Wood

You could say I'm plastered, 'cause I hit the wall  
I lost count after 21, in the college crawl  
I been a boozin' bastard, they're callin' me Edward Forty-  
hands, I can't touch anyone  
With an enemy like me, who would need a friend?  
Never mind, I'm drunk

Well, we've had enough power since the blackout started  
For an EKG for the broken hearted  
I'd try to see the glass as half full  
But I'd probably just a-drink that too!  
Glass half full, I'd probably just drink that too!

Well, I'm the reason they call it an "Irish Goodbye"  
And I hope I don't choke on my vomit tonight  
Well I bet that a bottle of brandy so bitter'd be better than b  
itin' the bullet and betterin' myself, sorry if I slur  
Take my anxiety and my sobriety, I'll kill two birds with one s  
toner  
So if you see me, please take my keys, I don't wanna be an orga  
n donor

Well, we've had enough power since the blackout started  
For an EKG for the broken hearted  
I'd try to see the glass as half full  
But I'd probably just a-drink that too!  
Glass half full, I'd probably just a-drink that too!

I'm going down and I'm taking you with me, yeah  
I'm bringing the water to the horse  
So bring me the hair of the dog that bit me, yeah  
So I can clone it and have a little more, haha

Well, we've had enough power since the blackout started  
For an EKG for the broken hearted  
I'd try to see the glass as half full  
Even when I'm empty, half-full  
I'd try to see the glass as half full  
But I'd probably just, aaugh! (Glass half full, I'd probably ju  
st a-drink that too!)  
I'd probably just drink that too
