

Breaking Free

Will Young

I'm seeing massive destruction
Inside this killing feels
I think I've had a change of heart
Too delicate, always is overpowering
I think I know where I have to go

For me it's more than enough
You see, pack every odd
For another day
Another day

It's said and done how coping
Even when the wind is blowing
Like a butterfly and hide no matter where
Step by step
I'm working it all out
Think I know where I have to go

For me it's more than enough
You see, pack every odd
I'm wide awake in the end
To lose and find it again

Another day
Another day
Another day
Another day (hey, hey, hey)
Another day (oh-oh, yeah, oh-oh)
Another day (oh-oh, yeah, oh-oh)
Another day (oh-oh, yeah)
