

# Everything is Embarrassing

Will Young

Everything and nothing always haunts me  
I know you're trying  
I know you're trying

Waiting for your moment to fall on me  
I saw you trying  
I saw you trying

Maybe if you let me be your lover  
Maybe if you tried then I would not bother  
Telling me that basically you're not looking out for me  
Everything is true to me  
Never words where you would see  
Maybe if you let me be your lover  
Maybe if you tried then I would not bother  
I know you're trying  
I know you're trying

Hurts so bad I don't know what you want from me  
You know I'm trying  
You know I'm trying

And now we're hanging on by a heartbeat  
You know I'm trying  
I was always trying

Maybe if you let me be your lover  
Maybe if you tried then I would not bother  
Telling me that basically you're not looking out for me  
Everything is true to me  
Never words where you would see  
Maybe if you let me be your lover  
Maybe if you tried then I would not bother  
I've been hating everything  
Everything that could have been  
Could have been my anything  
Now everything's embarrassing

You tried to hold on  
I know you're trying  
I know you're trying  
You tried to hold on  
I know you're trying  
I know you're trying

Maybe if you let me be your lover  
Maybe if you tried then I would not bother  
Telling me that basically you're not looking out for me  
Everything is true to me  
Never words where you would see  
Maybe if you let me be your lover  
Maybe if you tried then I would not bother  
I've been hating everything  
Everything that could have been  
Could have been my anything  
Now everything's embarrassing

Maybe if you let me be your lover  
Maybe if you tried then I would not bother  
I've been hating everything  
Everything that could have been  
Could have been my anything  
Now everything's embarrassing
