

Falling Deep

Will Young

Now I'm falling deep
Make sure eyes can't fall asleep
In my head, he's on to me
And there's nothing I can do

Cause a commotion so easily
No praying or hoping can set me free, yeah, yeah

When you move like that, it's over, over
Chemicals react when you're closer

Now I'm falling deep
Make sure eyes can't fall asleep
In my head, he's on to me
And there's nothing I can do
Got me in between
Heaven and insanity
This might be the death of me
And there's nothing I can do
Nothing I can do

Playing with fire and gasoline, yeah, yeah
Walking a wire with mice beneath

When you move like that, it's over, over
Chemicals react when you're closer

Now I'm falling deep
Make sure eyes can't fall asleep
In my head, he's on to me
And there's nothing I can do
Got me in between
Heaven and insanity
This might be the death of me
And there's nothing I can do
Nothing I can do

You got the best of me
Come get the rest

I'm out of my mind
Cause you got the best of me
There's nowhere to hide
So come get the rest of me
I'm out of my mind
Cause you got the best of me
There's nowhere to hide
So come get the rest of me

Now I'm falling deep
Make sure eyes can't fall asleep
In my head, he's on to me
And there's nothing I can do
Got me in between
Heaven and insanity
This might be the death of me
And there's nothing I can do

Nothing I can do

Nothing I can do anymore

Nothing I can do anymore

Nothing I can do no more, no more

Nothing I can do
