

My Love

Will Young

Lovin'
I'm gonna keep it coming
Why can't you feel my love?
I'm trying so hard
Trust in me
I won't let you down
Just give me a chance
Cause I've changed, I've become a better man

Woah woah woah woah

Give me one more chance to make it right
All I'm asking for is time
One more chance to prove
My love, my love, my love, my love
You don't have to say I'm wrong
Cause I've known it all along
One more chance to prove
My love, my love, my love, my love

Woah, woah
My love, my love, my love, my love
Woah, woah
My love, my love, my love, my love

Please believe me
Not running round anymore
I only have eyes for you
And I've changed
There's a sunset
Why don't you hold my hand?
Let's keep on the right side, oh
Let's leave tonight

Woah woah woah woah

Give me one more chance to make it right
All I'm asking for is time
One more chance to prove
My love, my love, my love, my love
You don't have to say I'm wrong
Cause I've known it all along
One more chance to prove
My love, my love, my love, my love

Woah, woah
My love, my love, my love, my love
Woah, woah
My love, my love, my love, my love

Don't throw this away
Please baby stay
Oh, oh
Don't think of tomorrow
Live for today
Tell me what I need to know
Tell me what I need to know

Woah woah woah woah

Give me one more chance to make it right
All I'm asking for is time
One more chance to prove
My love, my love, my love, my love
You don't have to say I'm wrong
Cause I've known it all along
One more chance to prove
My love, my love, my love, my love

Woah, woah
My love, my love, my love, my love
Woah, woah
My love, my love, my love, my love

My love, my love, my love, my love
My love, my love, my love, my love
