

Happy

William Bell

Happy, I'm so happy
Happy, oh I'm happy

My baby put some love on me
Just the way good lovin' should be
She calls me when the time is right
And now I'm smiling day and night

'Cause I'm happy
Oh, I'm happy
I'm happy
Whoo! I'm happy

I must be the world's luckiest man
I got joy in the palm of my hand
Hey fellas, come and see
What this woman is doing to me

To make me happy
Whoo! I'm happy, y'all
I'm just happy
The girl makes me happy, yeah

It's like a roller coaster ride
The thrill you get you just can't hide
Every time that she comes near
I start grinning from ear to ear

'Cause I'm happy
Whoo! I'm happy y'all
I'm so happy
The girl makes me happy

(Happy) That good, good lovin' makes me (happy)
Everyday and every night I'm just (happy)
Every time you're near you make me (happy) Whoo!
(Happy) Ah, you make me feel so (happy)
You're good, good lovin' makes me (happy)
Gonna tell the world that I'm (happy)
Oh! (Happy) Every time you're near you make me (happy) Whoo!
(Happy) Ah, you make me feel so (happy)
You're good, good lovin' makes me (happy)
Gonna tell the world that I'm (happy)
Oh! (Happy)
Oh, the girl amazes me!
Oh, I feel so good and I'm (happy)
I got to knock on wood 'cause I'm (happy)
