

I'll Show You

William Bell

If you put your, put your arms around me
I will show you just how good a love can be
Yes I know if you left me
I know I'll show you
I'm gonna show you

If you put your, put your trust in me
My love will satisfy, this I guarantee
Oh, if you left me, oh yeah, yeah, yeah
I know I'll show you
I'm gonna show you

We'll have a love so strong
We'll be together so long
Oh, I know I love you so
And I have no doubt in my mind
If you left me I know I'll show you

Just believe in me
And here's what I'll do
Whenever you need me
I'll bring my love home to you, oh
If you left me, yeah, yeah, yeah
I know I'll show you
I'm gonna show you

So come on and give your heart to me
Come on and let me show you
Please come on let me show you
I know, I know I can make everything alright
Come on let me show you
Just let me show you
Let me, let me
