

Love Will Find A Way

William Bell

Don't cry little girl
'Cause I'm so far away
Don't worry about me
I'm not going to stay

'Cause I still love you
Believe me when I say
That love will find a way

To bring me back to you
And I'll hold you in my arms
We'll be together forever
And you know I'll...

I still love you
Believe me when I say
That love will find a way

It's hard for me to get you off my mind
You know we've been apart for such a long, long time

But I know that you love me
You know that I love you
And darling
Love will find a way
Love will find a way
Love will find a way
