

## Enemy

William Black

Do you wanna know what it feels like to be dragged across the floor  
You're making me out like the bad guy  
Can we talk about all the all the thoughts you've wasted contemplating how you're gonna ruin my night  
Intoxicated pictures faded lonely for the rest of your life

Go ahead and erase all our memories, memories  
Tell all your friends I'm the enemy, enemy  
I know that you got the tendency tendency of using the pain like a remedy, remedy

Hope your happy now  
Hope the drugs run out  
Hope you're miserable when I'm not around  
Go ahead and erase all our memories, memories  
Tell all your friends I'm the enemy, I'm the enemy

I'm the enemy  
I'm the enemy

I wanna pretend likes it's okay, but I lack the empathy  
'Cause you love to cover the heartbreak with insanity

All the thoughts you've wasted contemplating how you're gonna ruin my night  
Intoxicated pictures faded lonely for the rest of your life

Go ahead and erase all our memories, memories  
Tell all your friends I'm the enemy, enemy  
I know that you got the tendency tendency of using the pain like a remedy, remedy

Hope your happy now  
Hope the drugs run out  
Hope you're miserable when I'm not around  
Go ahead and erase all our memories, memories  
Tell all your friends I'm the enemy, I'm the enemy

I'm the enemy  
I'm the enemy
