Hanging Around

William Clark Green

I'm headin' down a one way track
I'm leavin' this town, ain't lookin' back
Gotta get out before I never see the light of day
Throwin' caution to the wind
And the wind keeps pushin' me back again
Tryin' to turn me around
I ain't gonna stay

I'm headin' down a one way track
I'm leavin' this town, ain't lookin' back
Gotta get out before I never see the light of day
Throwin' caution to the wind
And the wind keeps pushin' me back again
Tryin' to turn me around
I ain't gonna stay

I gotta find out who I'm gonna be
Ain't gonna find it in this town
I finally got the courage to up and leave
Everybody's still hangin' around

Yeah, I sure will miss Mary Anne
But I ain't gonna miss her new boyfriend
And everyone tellin' me that I did her wrong
They can waste their time with the mindless chatter
When it comes down to it
It doesn't really matter
They're stuck around here, I'm already gone
And I'm long gone

I gotta find out who I'm gonna be
Ain't gonna find it in this town
I finally got the courage to up and leave
Everybody's still hangin' around

I gotta find out who I'm gonna be
Ain't gonna find it in this town
I finally got the courage to up and leave
Everybody's still hangin' around
