

# Kiss Me Judas

William Control

I was Judas  
You were the kiss  
I was wild  
You are the prison  
Yeah, I wrote this suffering  
Inside the walls of my despair

You were Isis  
I am the myth  
Oh, Dionysus  
You are the prison  
Yeah, I wrote this suffering  
Inside the walls of my despair

Walk in silence  
Ma'am, you're a cruel deceiver  
Walk in violence  
Will you set me free?

The reason why my heart breaks  
Falling as she walks away  
The reason why my heart breaks  
Oh, she would die for me

You were madness  
I am the king  
Of disorder  
And you are the queen  
Oh yeah, I wrote this suffering  
Because we're all still suffering

Walk in silence  
Ma'am, you're a cruel deceiver  
Walk in violence  
Will you set me free?

The reason why my heart breaks  
Falling as she walks away  
The reason why my heart breaks  
Oh, she would die for me

The reason why my heart breaks  
Falling as she walks away  
The reason why my heart breaks  
Oh, she would die for me

Our heart beats now in time  
The rhythm of a wild high  
I was Judas and you were the only kiss

The reason why my heart breaks  
Falling as she walks away  
The reason why my heart breaks  
Oh, she would die for me  
Die for me  
Die for me

Heart break  
Heart break  
Oh, set me free

Heart break  
Heart break  
Oh, set me free  
She would die for me

The reason why my heart breaks
