

# Noir

William Control

I am near the end  
I've accomplished nothing  
And when I fall into the sky  
Oblivion  
I am on the edge  
No strength to fly  
And when I look into the screen I see your eyes

You are a beautiful Noir  
Cinematic film  
That only I see

You are a beautiful Noir  
Cinematic film  
That only I see

Lie awake at night  
Just to watch you breathe  
In the sunrise  
Honey skin  
Howard Silva plays  
In my darker days  
This is the last time  
I say goodbye

You are a beautiful Noir  
Cinematic film  
That only I see

You are a beautiful Noir  
Cinematic film  
That only I see

You are a beautiful Noir  
Beautiful Noir
