

# Why Dance With The Devil When You Have Me

William Control

Prescription pills, darvocet, oxycontin, mescaline And a whole array of synt  
hetic medicine  
Crystal glass, ketamine, heroin, cyanide dream  
And a whole generation laughs  
It's not the drugs that killed your mom  
It's not the blade that raped your brother  
A whole world is suffering  
Can't be the love we lost as children  
Can't be the price of a thousand prostitute graves

Nobody loves here, everybody hates

I will survive  
Why are you dancing with the devil?  
I will survive  
Why are you dancing with the devil?  
When the sun sets down on my heart  
When the sun sets down I'm a star  
Why dance with the devil when you have me?

I feel so alone in a state of depression,  
At an all time low  
Closed in, in deception  
Where nobody would know

Lysergic acid, psychoactive, morphine, coke, sodomy  
At war with society  
Self-medication, codeine supply, self-mutilation  
Sex taught suicide  
It's not the drug that killed my soul  
Not the pain of losing blood  
In a ghost town paid symphony  
Can't be the love we lost as children  
Can't be the price of fucking saving your skin

Nobody loves here, everybody hates

I will survive  
Why are you dancing with the devil?  
I will survive  
Why are you dancing with the devil?  
When the sun sets down on my heart  
When the sun sets down I'm a star

I will survive  
Why are you dancing with the devil?  
I will survive  
Why are you dancing with the devil?  
When the sun sets down on my heart  
When the sun sets down I'm a star  
Why dance with the devil when you have me?

My mind is cracked  
My mind is trapped  
My spine is tapped  
A little bit of lean  
Feels like I'm on cyanide, methamphetamines

Burned, churned  
Nightmares, dreams  
Heaven, hell  
Help me, please  
Screams, yells  
Yearning, laughing  
Anything could happen  
I feel so trapped in  
Nobody loves me, everybody hates  
Suicidal mind stays slipping on a plate  
Poison in my veins  
Nobody cares if I live, if I die  
No reason to be here  
Ease the pain, vicodin to settle down  
Oughta be going crazy  
I got to settle in  
I feel a little hazy  
A little heroin, I close my eyes  
Never to awake again
