

Fire And Rain

William Fitzsimmons

Just yesterday mornin', they let me know you were gone
Suzanne, the plans they made put an end to you
I walked out this morning and I wrote down this song
I just can't remember who to send it to

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

Won't you look down upon me, Jesus?
You've got to help me make a stand
Just got to see me through another day
My body's aching and my time is at hand
I won't make it any other way

Oh, I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

I've been walking my mind to an easy time
My back turned towards the sun
Lord knows, when the cold wind blows
It'll turn your head around
There's hours of time on the telephone line
To talk about things to come
Sweet dreams and flying machines in pieces on the ground

Oh, I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you one more time again
Thought I'd see you one more time again
