

# Just Do It

William Hung

And just do it  
Be what you want to be, do what you want to do  
Be true to yourself  
And just do it  
Be what you want to be, do what you want to do  
Because it's all up to you

Have no regrets, don't care what people say  
Live your own life, your courage will scare them away  
Love, life and family will lead you to success  
Hold your head high and give them your very best

And just do it  
Be what you want to be, do what you want to do  
Be true to yourself  
And just do it  
Be what you want to be, do what you want to do  
Because it's all up to you

Nothing can stop me, no one can change my mind  
I can do anything, it's all a matter of time  
Take it from me, I'm thankful every day  
I'm proud I did it 'cause I did it my own way

Believe in yourself and anything is possible

And just do it  
Be what you want to be, do what you want to do  
Be true to yourself  
And just do it  
Be what you want to be, do what you want to do  
Be true to yourself  
And just do it  
Be what you want to be, do what you want to do  
Be true to yourself  
And just do it  
Be what you want to be, do what you want to do  
Because it's all up to you

If I can do it, you can do it too  
Believe in yourself and your dreams, and just do it

And just do it  
Be what you want to be, do what you want to do  
Be true to yourself  
And just do it  
Be what you want to be, do what you want to do  
Be true to yourself  
And just do it  
Be what you want to be, do what you want to do  
Be true to yourself  
And just do it  
Be what you want to be, do what you want to do  
Because it's all up to you
