

# Are You Ready

William McDowell

Can you see it  
Can you hear it  
Hear the voice of the father  
Calling us here to hear  
And to see that the earth is in need  
Desperate to see a move of God  
They are crying out  
We are crying out  
So we shout aloud

We're Ready!  
Ready to see  
Blind eyes opened  
Bondage Broken  
We're ready  
We're ready to see  
Nations healed  
Your glory revealed  
We're Ready  
We're ready to see  
A move of God.

Let's Go. Let's Go.  
Are you Ready?  
Let's Go. Let's Go

We're ready to see  
Signs and wonders  
We believe, we will see  
(expecting) Miracles  
(anticipating) Salvation  
(a move of God) In this place

Ooh Oh Oh  
We're Ready!  
Ooh Oh Oh  
We're Ready!  
Ooh Oh Oh  
We're Hungry!  
Ooh Oh Oh  
We're Desperate!  
Ooh Oh Oh  
We're Ready!

We're Ready!
