

Don't Mind Waiting

William McDowell

I don't mind waiting
I don't mind waiting on you

Lord I need you
Yes I need you
Jesus Jesus

I don't mind waiting
I don't mind waiting on you

Lord I need you
Yes I need you
Jesus Jesus

I am desperate

I am desperate for you

The closer He comes
The louder I get

I am desperate
I am desperate for you

The closer He comes
The louder I get

I am desperate
I am desperate for you
