

Even Now

William McDowell

There's about to be
A suddenly in this place
I, I hear a sound
A mighty sound
The rising of faith

There's about to be
A suddenly in this place
I, I hear a sound
A mighty sound
The rising of faith

There's about to be
A suddenly in this place
I, I hear a sound
A mighty sound
The rising of faith
Even now You are moving
Even now You are moving

Even now You are moving
Even now You are moving

There's about to be
A miracle in this place
Your promise to me
I'm gonna see
Yes, I believe

There's about to be
A miracle in this place
Your promise to me
I'm gonna see
Yes, I believe

Even now You are healing
Even now You are healing

Even now You are healing
Even now You are healing

Even now You are healing
Even now You are healing

Even now You are healing
Even now You are healing

All things are possible
Right here, right now

All things are possible
Right here, right now

All things are possible
Right here, right now

All things are possible

Right here, right now

Even now You can do it
Even now You can do it

Even now You can do it
Even now You can do it

Even now You can do it
Even now You can do it

Even now You can do it
Even now You can do it

Even now You can do it
Even now You can do it

Even now You can do it
Even now You can do it

There's about to be
A suddenly in this place
