

## Finished Work

William McDowell

Everything that I'll ever need  
Was accomplished on Calvary  
My sins are gone; no more shame holding me  
That's what You have done for me

Everything that I'll ever need  
Was accomplished on Calvary  
My sins are gone; no more shame holding me  
That's what You have done for me

Wake up my soul and live in the promises  
My hope is built on every word He said  
He said

The work is finished  
Everything You've promised me is already done  
Yes, we've already won

The work is finished  
Everything You've promised me is already done  
So I'm resting in the finished work

Now I believe  
And now I receive  
By faith it is happening  
I'm already healed, I'm already free  
That's what You have done for me

Wake up my soul and live in the promises  
My hope is built on every word He said  
He said

The work is finished  
Everything You've promised me is already done  
Yes, we've already won

The work is finished  
Everything You've promised me is already done  
Yes, we've already won

The work is finished  
Everything You've promised me is already done  
So I'm resting in the finished work

The work is finished  
The work is finished  
I'm walking in it  
I'm living in it

Yes, I will see it  
Yes, I receive it  
Yes, I believe  
It's already done

The work is finished  
The work is finished  
I'm walking in it

I'm living in it

Yes, I will see it

Yes, I receive it

Yes, I believe

It's already done

Yes, I will see it

Yes, I receive it

Yes, I believe

It's already done

Yes, I will see it

Yes, I receive it

Yes, I believe

It's already done

Already done

Already done

Already done

Already done

Already done

Already done

Already done

Already done

Already healed

Already healed

Already healed

Already healed

Already free

Already free

Already free

Already free

It's already done

It's already done

I'm already healed

I'm already healed

Yes the work is finished
