

# Here Comes The Glory / Here Comes Heaven

William McDowell

There's a holy expectation  
Rising in the room  
With great anticipation  
We know our God will move

Faith is rising  
Hearts are burning  
As You're drawing near

Here comes the glory of the Lord  
Here comes the glory of the Lord  
Sweeping in the room

Here comes the glory of the Lord  
Here comes the glory of the Lord  
Sweeping in the room

There's a holy expectation  
Rising in the room  
With great anticipation  
We know our God will move

Faith is rising  
Hearts are burning  
As You're drawing near
