

How Great

William McDowell

The heavens are telling
Telling the earth how great You are
We are responding to Your love

The oceans are rising
Rising and falling at Your word
We are responding to Your love

My God, how great You are
How great, how great You are
My God, how great You are
How great, how great You are

The heavens are telling
Telling the earth how great You are
We are responding to Your love

The oceans are rising
Rising and falling at Your word
We are responding to Your love

My God, how great You are
How great, how great You are
My God, how great You are
How great, how great You are

My God, how great You are
How great, how great You are
My God, how great You are
How great, how great You are

My God, how great You are
How great, how great You are
My God, how great You are
How great, how great You are

Alleluia, alleluia, alleluia
How great You are
How great You are

Alleluia, alleluia, alleluia
How great You are
How great You are

How great You are
How great You are

How great You are
How great You are
