

Hymn of Praise

William McDowell

We give you praise Lord, we give you praise
We give you praise Lord, we give you praise

For all you've done Lord, we give you praise

Hallelujah Lord, we give you praise

I can feel your Spirit in this place
I can feel your Presence in this place
I can feel your Spirit in this place
I can feel your Presence in this place
I can feel your Spirit in this place
I can feel your Presence in this place
I can feel your Spirit in this place
I can feel your Presence in this place
I can feel your Spirit in this place
I can feel your Presence in this place
I can feel your Spirit in this place
I can feel your Presence in this place
