

I Surrender All

William McDowell

I surrender all, I surrender all
All to You I give.

Some of us are bowed down,
Some of us with our hands lifted;
We present ourselves to You
Our lives, completely and totally.
We surrender to You,
And our answer, the word of agreement
Between heaven and earth is "yes."
Whatever You want to do, Lord...
We say yes to You.

We say yes, we surrender
I say yes, I surrender
