I wait
I'm under
I scarce in you
Alone surrounded
Unto by you
I need you to help me
Need you to help me breathe

Whoa whoa oh oh
Whoa oh oh
Take me - IN
Whoa whoa oh
Whoa oh oh

Take me in

Hold me a little bit closer
A little while longer
In your arms

Take me a little bit deeper
You are life to my soul

Whoa whoa oh oh
Whoa oh oh
Take me in
