

Only You Can Satisfy

William McDowell

Only You can satisfy my heart
Only You can satisfy my soul
Only You can satisfy my heart
Jesus, Jesus

Only You can satisfy my heart
Only You can satisfy my soul
Only You can satisfy my heart
Jesus, Jesus

Only You can satisfy my heart
Only You can satisfy my soul
Only You can satisfy my heart
Jesus, Jesus

If I take what the world has offered
I'll have to come again, again and again
With just one drink of his living water
I'll never thirst again, I'll never thirst again

Only You can satisfy my heart
Only You can satisfy my soul
Only You can satisfy my heart
Jesus, Jesus

Only You can satisfy my heart
Only You can satisfy my soul
Only You can satisfy my heart
Jesus, Jesus

Only You can satisfy my heart
Only You can satisfy my soul
Only You can satisfy my heart
Jesus, Jesus

If I take what the world has offered
I'll have to come again, again and again
Just one drink of his living water
I'll never thirst again, I'll never thirst again

Jacob's well will never do
So I will draw from You
This old world will never do

So I will draw from You

Jacob's well will never do
So I will draw from You
This old world will never do
So I will draw from You

Jacob's well will never do
So I will draw from You
This old world will never do
So I will draw from You

Jacob's well will never do
So I will draw from You

This old world will never do
So I will draw from You

Jacob's well will never do
So I will draw from You
This old world will never do
So I will draw from You

Jacob's well will never do
So I will draw from You
This old world will never do
So I will draw from You

Jacob's well will never do
So I will draw from You
This old world will never do
So I will draw from You

Jacob's well will never do
So I will draw from You
This old world will never do
So I will draw

Only You can satisfy my heart
Only You can satisfy my soul
Only You can satisfy my heart
Jesus, Jesus

Only You can satisfy my heart
Only You can satisfy my soul
Only You can satisfy my heart
Jesus, Jesus
