

You Are Here

William McDowell

You are, You are here
Have Your way as we bow down
You are, You are here
Have Your way as we bow down

Here I am drawn by Your presence
As I stand on holy ground
When You speak, everything changes
And I will never be the same

You are, You are here
Have Your way as we bow down
You are, You are here now
Have Your way as we bow down

Lord You hear the cry of Your people
How we long for more of You
When You move, everything changes
We will never be the same

Oh, Lord, you are here
You are here, You are here now
Have Your way as we bow down
You are here, You are here now
Have Your way as we bow down
You are here, You are here now
Have Your way as we bow down
You are here, You are here now
Have Your way as we bow down

Take control, here and now
It's the cry of our heart tonight
Take control, here and now
We're asking You and waiting
Take control, here and now
This is a cry of the heart
Take control, here and now
Hear the cry of the people, Lord

Take control, here and now
We surrender all
Take control, here and now
We surrender all
Take control, here and now
Take control
Take control, here and now

You are here, You are here
Have Your way as we bow down
You are here, you are here
Have Your way as we bow down

Take control, here and now
Take control, here and now
Take control, here and now
Take control, here and now

You are, You are here
Have Your way as we bow down
You are here, You are here now
Have Your way as we bow down
