

# You Are the One

William McDowell

You are the one that I need  
The song I sing  
The air I breathe  
Just can't explain the things You do  
Nobody else compares to You

There's no other help that I know  
No other place that I could go  
You are my strength when I get weak  
Father, Your face is all I see  
All I see  
It's all I see

Just when I feel I'm all alone  
When I feel my strength is gone  
That's when You come and rescue me  
Mining me back to set me free  
There's nobody else that can compare  
Never alone, You're always there  
Goodness and mercy follow me  
Father, Your face is all I see

All consuming fire  
My heart's desire  
Your face is all I see  
You are the one I need  
All consuming fire  
My heart's desire  
Your face is all I see  
You are the one  
All consuming fire  
My heart's desire  
Your face is all I see  
You are the one I need  
All consuming fire  
My heart's desire  
Your face is all I see  
You are the one I need...

Say King Jesus (King Jesus)  
My Saviour (my Saviour)  
Forever (forever)  
And ever (and ever)  
You are the one I need  
You're the one that I need, oh (You are the one I need)  
King Jesus (King Jesus)  
My Saviour (my Saviour)  
Forever (forever)  
And ever (and ever)  
You are the one I need...

Oh, I need You, Lord  
To come to my rescue  
Come to my rescue  
Oh, where else, where else, where else can I go  
I need You  
You're my safety, Lord

My hiding place  
You're my hiding place  
Oh, I need You...  
I can't breathe, can't breathe without You, Lord...

You're the one that I need, oh
