

Together We Stand

William Michael Morgan

I don't know what I'm gonna tell her
With the bills piling up high
They say their closing down the factory
Next, they'll be shutting off our lights
They keep on bailing out the bankers
Leaving farmers staring at the ground
They're preaching peace to you and me
While they burn this country down

Where's all the back bone somebody tell me
Somebody stand up if you can hear me
Where's all cowboys all the cowgirls of the world
Where's all the work hard, the play hard
Yeah, the good ol boys with their big hearts
Buddy, you can stand by and just say nothing at all
But together, we stand
Or together we'll fall

They'll keep on pushing and pushing
Till they push one to many time
Mmm, enough, yeah, brother, is enough
Don't you think it's bout damn time

Where's all the back bone somebody tell me
Somebody stand up if you can hear me
Where's all cowboys all the cowgirls of the world
Where's all the work hard, the play hard
Yeah, the good ol boys with their big hearts
Buddy, you can stand by and just say nothing at all
Yeah, but together, we stand
Or together we'll fall

Where's all the back bone somebody tell me
Somebody stand up...
Yeah, where's all the work hard, the play hard
Yeah, the good ol boys with their big hearts
Buddy, you can stand by and just say nothing at all
Yeah, buddy, you can stand by and just say nothing at all
But together, we stand
Or together we'll fall
