

# A New Thing

William Murphy

God is doing a new thing in you  
God is doing a, a new thing in you  
That's what He told me to tell you  
Whatever you ask  
Whatever you pray for  
Look at your neighbor, say  
No thing shall be denied  
Who said it?  
Said the Lord (Lord)  
Said the Lord (Lord)  
Said the Lord (Lord)

We gotta sing it one more time, Dante  
Throw your hands up, say  
God is doing a  
Say, "Thing in me"  
Thing in me  
God is doing a, a new thing in me  
Whatever I ask for  
Whatever I ask for  
Sing for yourself  
Whatever, whatever you pray for  
No thing shall be denied  
No thing shall be denied  
No thing shall be denied  
Point a finger at your neighbor, tell 'em, "No thing"  
No thing shall be denied

One more time, say, "No thing"  
No thing  
Look at somebody, tell 'em  
No thing  
No thing  
No thing shall be denied

Said the Lord (Lord)  
Said the Lord (Lord)  
Look at your neighbor, say  
Said the Lord (Lord)
