With All the mistakes that I made. My life would be controlled
by fear.

Lord if I didn't have you near. By now I would have lost my min

God I wouldn't have no peace, no peace, no peace. But I'm so gl
ad that I've found you.

Amazing God, Amazing king, amazing everything
Amazing God, Amazing king, oh you're an amazing everything
Amazing God, Amazing king, so amazing

Where would I be without you. I would probably be in somebody's
grave.

All the mistakes that I made. My life would be controlled by th
e spirit of fear.

Lord if I didn't have you near. By now I probably, probably wou
ld have lost my mind.

Peace would be so hard to find. I'm so glad that I've found you
