

Another Yes

William Murphy

My soul says yes
My soul says yes
Still my soul
My soul
Says yes
Yes

My soul says yes
My soul says yes
Still my soul
My soul
Says yes

My soul says yes
My soul says yes
Still my soul
My soul
Says yes

My soul says yes
My soul says yes
Still my, my, my soul
My soul, oh yes Lord
Says yes
One more time
One more time, one more time

My, my soul says yes
Come on, church
My soul says yes
Still my soul
My soul, yes Lord
Says yes

My soul says yes
My soul says yes
Still my soul
My soul
Says yes

You gon' say this
There's a yes in my soul
There's another yes in my soul
I need a miracle

There's a yes in my soul
God says that's the beginning of the miracle
Another yes
Another yes in my soul
I need a miracle

My soul
My soul says yes
My soul, yes Lord, says yes
Still my soul
My soul
Says yes

Oh, my soul says yes
My soul says yes
Still my soul
My soul
Says yes
