

God Chaser

William Murphy

I'm a God chaser
God chaser
Because I love You,
I'll chase You forever

I'm a God chaser
God chaser
Because I love You,
I'll chase You forever and ever

I'm a God chaser
God chaser
Because I love You,
I'll chase You forever

I'll chase You in the morning
I'll chase You in the evening time
My heart is desperate for You
My hunger exceeds my reach

I'm a God chaser
God chaser
Because I love You,
I'll chase You forever

I'll chase You in the morning
I'll chase You in the evening time
My heart is desperate for You
My hunger exceeds my reach

I'm a God chaser
God chaser
Because I love You,
I'll chase You forever

I chase God
I want God
Because I love You,
I'll chase You forever

I'm a God chaser!
