

Higher

William Murphy

I am going higher!
Aint gon' let nothing stop me now.
The devil is a liar
Gonna get what God has spoken any how

No more hesitation
Im'ma sieze the moment our god is here.
He's here to elevate you
Just lift your hands and take it,
That's what you do

God's already spoken
So I got to get my eyes on my prize (yeah)
I cannot lose my focus
So excuse me but I'm runnin (Oh My)

I know I've got to go through
But it's all a part of God's perfect plan
So what I'm trynna tell you
Is after you've done all you can
You Just stand

I've got my joy back
I've got my Peace back
I've got my Swag back
Took it back

I Took it back [repeat]

Can't no devil hell hold me down. I've got to go higher [4x]

I've got to go HIGHER [8x]
