Come on  
Who is ready for an amazing worship experience  
An amazing worship encounter  
I need somebody in the room to lift up a shout and send up a sound  
Because the songs that are gonna be sung today  
Are going to be life changing sounds of worship and justice  
Come on, we're just a few seconds away  
From releasing a sound that's going to the heavens  
That's going to be an international sound of worship and justice  
Of worship and peace  
Of worship and justice  
So if you guys would please welcome our Bishop  
Our pastor  
Our apostle  
Our intercessor  
And my father  
Bishop William Murphy III  
Let's send up a sound
