

# Just Us

William Murphy

Seek justice  
That's the command we have to follow  
Defend the orphan  
That's the assignment of the season  
That is the call  
And it's upon us all  
To learn to do good

God wants righteousness and justice  
He wants us to stand  
Against all evil and oppression  
He wants us to fight for what we know is right  
We will obey  
Listen

We're all tired of hoping and praying  
We're so tired of waiting on other people to change  
So we stand together for justice  
And we raise our voices, we just want to say  
Even if it's just us  
There's still enough of us  
We gon' change the world  
We gon' change the world  
Listen

Seek purpose  
We can't waste another minute  
Time is not waiting  
We have to see the bigger picture  
We're part of the proud  
So we shout it aloud  
It's time for a change

We won't weary  
We won't tire  
We will not relent  
Yes, we lift the Master higher 'til we are free  
This is what we will be  
This is our plea  
Yeah

We're so tired of hoping and praying (We're all tired of hoping and praying)  
We're so tired of (We're so tired of waiting on other people to change)  
On other people to change, so we stand (So we stand together for justice)  
We want justice (And we raise our voices, we just want to say)  
Even if it's just us  
There's still enough of us  
Say that again (Even if it's just us)  
There's still enough of us  
We gon' change the world  
We gon' change the world

This can't happen again  
This can't be how it ends  
All we want is a win  
This what we gotta do (So we welcome Jesus in)

Can't be how it ends  
All we want is a win  
So we welcome Jesus

Even if it's just us  
There's still enough of us  
Even if it's just us  
There's still enough of us  
Everybody say (We gon' change the world)  
I need to hear you Dream Center (We gon' change the world)
