

Lies

William Murphy

Say the devil is a liar
Say the devil is a liar
What the Lord has For me
What the Lord has For me
Say the devil is a liar
Say the devil is a liar
And the truth made me free
But the truth made me free

Say I'm Gonna Run On
And See what the ends go be
See what the ends go be
Am Gonna Hold On
Yeah
Till I Get My Victory

Say the devil is a liar
Say the devil is a liar
What the Lord has For me
What the Lord has For me
Say the devil is a liar
Say the devil is a liar
So the truth made me free
But the truth made me free

So I'm gonna stay here
I refuse to be run away
Refuse to be run away
I am gonna wait here
And I will praise Him everyday

Say the devil is a liar
Say the devil is a liar
What the Lord has For me
What the Lord has For me
Say the devil is a liar
Say the devil is a liar
And the truth made me free
But the truth made me free

And the truth has made me
Free
And the truth has made me
Free
And the truth has made me
Free
And the truth has made me
Free

Vamp
Don't pay the devil
No Mind
If he said you won't make it
Lies
And He said you can't take it
Lies
And He said you are forsaken

Lies
But It was all lies
It's all Lies
And he said God won't heal you
Lies
And he said God won't fill you
Lies
Then he said he would kill you
Lies
But It was all lies
It's all Lies

The truth has made me
Free
Say the truth has made me
Free
Cos the truth has made me
Free
Cos the truth has made me
Free

Don't pay the devil
No Mind
And He said you were broke
Lies
And He said you can't go
Lies
Thank the Lord Now You Know
Lies
It was All Lies
It was All Lies

It was All Lies
It was All Lies
It was All Lies
It was All Lies
It was All Lies
It was All Lies
It was All Lies
It was All Lies

The truth has me
Free
And The Truth Has Made Me
Free
