

Love Never Fails

William Murphy

They crucified Him
They crucified Him
And they nailed Him to a tree
And there He died
The King crucified
Just to save a sinner like me

He gave His life
Yes He gave His life
On a cross He's lifted, high
And they mocked His crown
And they denied His power
He died sinless to save ours

His love never fails
His love never fails
He was lifted high
On a tree He died
But His love never fails
No, oh no

But He rose again
Yes He rose again
With all power in His hands
There's an empty tomb
And He's coming soon
He is King and all will see

His love never fails
His love never fails
He was lifted high
On a tree He died
His love never fails

Hallelujah, hear Your people cry
Hallelujah, God be lifted high
Hallelujah, for the hope of glory
Christ our King

Hallelujah, for the victory
Hallelujah, our hearts will sing
Hallelujah, the hope of glory
Christ our King

Hallelujah, hear Your people cry
Hallelujah, God be lifted high
Hallelujah, the hope of glory
Christ our King

He was lifted high
On a tree He died
His love never fails
