

Make Me Righteous

William Murphy

Holy, Holy Lord
Sovereign in all your ways
Holy, Holy Lord
You are the ancient of days
You are awesome in power
Amazing is your grace
I desire to see your face
Make me righteous
Before you
Make me holy
For you are holy
Purify me
In your presence
Holy Lord
Holy Lord [Repeat]
Lead: How I love you Lord
I want to please you with my life
So I will love you Lord
And offer you my sacrifice
You are worth of glory
Worthy of all praise
I desire to know your ways
Make me righteous
Before you
Make me holy
For you are holy
Purify me
In your presence
Holy Lord [x8] [Adlibs]
Holy, Holy Lord [Adlibs, {modulates}]
Holy Lord - to fade out
