

Same Grace

William Murphy

And after all that I've been through
I got a story to tell you
He wouldn't let the Devil consume me
Because God knew he could use me

God is no respecter of persons
What He's done for me
He'll do the same for you
God is no respecter of persons
What He's done for me
He'll do the same for you

'Cause He's given you the same grace
Lord has given you the same grace
Lord's given you the same grace
Same grace

God is no respecter of persons
What He's done for me
He'll do the same for you
God is no respecter of persons
What He's done for me
He'll do the same for you
'Cause He's given you the same grace

God's given you the same grace
The same grace
The same grace
'Cause He's given you the same grace
Same grace
Same grace
Same grace

There's a grace on my life
To release the glory of God
There's a grace on my life
To release the glory of God
There's a grace on my life
To release the glory of God
There's a grace on my life
To release the glory of God

There's a grace on my life
To release the glory of God
There's a grace on my life
To release the glory of God
There's a grace on my life
