

Set The Prisoners Free

William Murphy

Happy is the man who has Your help
Hope is in You, oh Lord
Execute justice for the oppressed
Feed my soul

Set the prisoners free
Set the prisoners free
Set the prisoners free

Blinded I see
Lift up your head
He's watching over you
Stopping devil plans
That's what He do
The Lord is at work for you

Set the prisoners free
Set the prisoners free
Set the prisoners free
Set the prisoners free

So my soul
Will bless the Lord
(While I live)
(I'll praise Him)
Covid couldn't kill me
I'm still alive
(And I can breathe again)

Set the prisoners free
Set the prisoners free
Set the prisoners free
Set the prisoners free

So my soul
(Will bless the Lord)
While I live
(I'll praise Him)
Covid couldn't kill me
I'm still alive
I can breathe again

Set the prisoners free
Set the prisoners free
Set the prisoners free

Hands up
Hands up
Hands up (So I can breathe)
Hands up (So I can breathe)
Hands up (So I can breathe)
I'm not resisting

Hands up (So I can breathe)
I'm not resisting
I will give You the praise

Hands up (So I can breathe)
I'm not resisting
I will give You the praise

Hands up (So I can breathe)
I'm not resisting
I will give You the praise

For the rest of my days
I will give You the praise
Hands up
I will give You the praise
For the rest of my days

Hands up
I will give You the praise
For the rest of my days

Hands up
Hands up
Hands up
Hands up

Hands up
Hands up
Hands up
Hands up

Hands up
I will give You the praise
For the rest of my days

Hands up
I will give You the praise
For the rest of my days
