

Settle Here Part 1

William Murphy

Purify our hearts, Lord
Purify our hearts, Lord
Sanctify my heart Lord
Sanctify my heart Lord

Oh Lord we need You
We need to see You
Oh Father tonight we're desperate for You
Now let your glory settle here
Let it settle here

Purify our hearts, Lord
Purify our hearts, Lord
Sanctify our hearts, Lord
Sanctify our hearts, Lord

Oh Lord we need You
We need to see You
Oh Father tonight we're desperate for You
Now let your glory settle here
Let it settle here
Let it settle here
Settle here

Now let Your glory settle here

Come on and take Your seat
My burdens at Your feet
With You we can't be beat
Won't You settle, You can settle here

Come on and take Your seat
My burdens at Your feet
With You we can't be beat
Won't You settle, You can settle here

Come on and take Your seat
My burdens at Your feet
With You we can't be beat
Won't You settle, You can settle here

Come on and take Your seat
My burdens at Your feet
With You we can't be beat
Won't You settle, You can settle here

You can settle here
You can settle, You can settle here
Here
Won't you settle, You can settle here
Here
Won't you settle, You can settle here
Here
Won't you settle, You can settle here
