

# Something God

William Murphy

Something good is about to happen  
Something God is about to take place  
Something good is about to happen  
Something God is about to take place

Something good is about to happen  
You say it  
Something God is about to take place  
Something good is about to happen  
You can't have it if you won't say it  
Something God is about to take place  
Say, "Is about to take place"  
Is about to take place

Listen, something good is about to happen  
Something God is about to take place  
Something good is about to happen, yeah  
Something God is about to take place

It's gonna be good  
It's gonna be God  
Tell somebody, it's gonna be good  
It's gonna be God  
It's gonna be good  
It's gonna be God

Something good, something good  
Is about to happen  
Something God

Something (Good is about to happen)  
(Something God is about to take place)  
Something (Good is about to happen)  
You can't have it if you won't say it  
(Something God is about to take place)  
One more time, say it  
(Something good is about to happen)  
Something God (Is about to take place)

It's gonna be God  
It's gonna be God  
It's gonna be God  
Tell 'em again, it's gonna be God, it's gonna be God

Something good (Is about to happen)  
(Something God is about to take place)  
One more time  
Something good is about to happen  
Something God is about to take place
