

Testify

William Murphy

Giving honor to God who is the head of my life
I give Him all the glory 'cause He fought my fight
Healed my body and He made me whole
Blessed my family, He delivered my soul

Oh, I just want to say (Thank You, thank You)
I say (Thank You, Thank You)

Giving honor to God who is the head of my life
I owe it all to Him, He's made everything alright
He turned my mourning into joy evermore
He set me on a path to a place called much more

Much more, much more
Much more, much more

I believe (I believe)
I believe I'll testify (I believe I'll testify)
Hope you don't mind if I tell my story
Well, I believe (I believe)
I believe I'll testify (I believe I'll testify)

He's been good (He's been good)
He's been good (He's been good)
I should've died (That's all I can say)
But He was good (He's been good)
He's been good
Keeps on making a way

I believe I'll testify
I believe (I believe)
I believe I'll testify (I believe I'll testify)

He put joy in my heart
Freedom in my feet
Hope for tomorrow
He's been good to me

He put joy in my heart
Freedom in my feet (Freedom in my feet)
Hope for tomorrow (Hope for tomorrow)
Been so good to me

He put joy in my heart (He put joy in my heart)
Freedom in my feet (Freedom in my feet)
Hope for tomorrow (Hope for tomorrow)
Been so good to me

He put joy in (He put joy in my heart)
That's what He did, y'all (Freedom in my feet)
Hope for tomorrow
He's been (Been so good to me)

I need to hear you sing (He put joy in my heart)
That's what He did (Freedom in my feet)
Hope for tomorrow
Been so good to me

Been so good
Been so good to me
He's been good, yes He has, y'all
Been so good to me

Been so good to me
(Been so good to me)
Been so good to me

He's been good
He's been good
He's been good
He's been good
He's been good
He's been good
He's been good

He's been good
Been so good to me
Been so good to me
(I gotta testify, y'all)
Been so good to me
(Let me testify)
Been so good to me

He put joy in my heart
Freedom in my feet
Hope for tomorrow
Been so good to me

He put joy in my heart
Freedom in my feet
(Hope for tomorrow) Hope for tomorrow
Been so good to me

(Joy in my heart) He put joy in my heart
Freedom in my feet
Hope for tomorrow
(He's been) Been so good to me

He put joy in my heart
Freedom in my feet
Hope for tomorrow
Been so good to me
