

There Is Grace

William Murphy

There is grace for the faithful
There is grace for the fallen
God has given you grace for what you need
He's given grace for the future
He's given grace for the past
He's given grace to the first when you were last

There is grace
There is grace
Always grace for you
There is grace
There is grace
Always grace for you

Grace is different from mercy
But it doesn't exempt you from pain
Whatever you feel
There's no more shame

Grace makes you strong
Grace frees you from fear
It cuts through the clutter
Grace keeps you clear

There is grace
There is grace
Always grace for you
There is grace
There is grace
Always grace

Listen to me, God told me to tell you
Grace will carry you through
Grace will carry you too
In whatever you do
Grace will

Grace will carry you through
Grace will carry you too
In whatever you do
Grace will

Grace will carry you through
Grace will carry you too
In whatever you do
Grace will

There is grace
There is grace
Always grace for you
There is grace
There is grace
Always grace

Grace will carry you through
Grace will carry you too
In whatever you do

Grace will

Grace will carry you through
Grace will carry you too
In whatever you do
Grace will

Grace will carry you through
Grace will carry you too
In whatever you do
Grace will

There is grace
There is grace
Always grace for you
There is grace
There is grace
Always grace
